DECLARATION

76

OF

INDEPENDENCE

Being the Class of '76, we seniors have the privilege of graduating in a year of great historical significance.

It has been only two hundred years since representatives from the thirteen original colonies gathered in Carpenter's Hall to sign a document that would change the course of history. They came together to affirm unification in the fight for release from the hand of England.

These fifty-six delegates who convened there knew the mother country would not let her colonies go without a struggle. For it had been just one year since that first clash at Lexington and Concord, yet many more years and many men's lives would pass before their goal "to be a free and independent nation" would become a reality.

However, this did not deter them, standing firm in their convictions, determined to create a nation where "all men are created equal and are endowed by their creator, with certain inalienable rights and that among them are life, liberty, and the pursuit of happiness."

Although it feels much longer than two hundred years, this declaration has stood the test of time, remaining, perhaps the greatest document ever written.

This **Declaration of Independence** has served a purpose in its day of uniting man in a common bond of freedom and kindling the spirit deep in the hearts of all true patriots.

Today this very same document serves its purpose by reminding us all of our great heritage, giving us ideals by which to govern ourselves, goals to strive for and an existing expression of our beliefs of Americanism.

Ultimately, we find it fitting and honorable to dedicate the 1976 Walum Olum to the spirit of these men and the ideals that our country, America, has been established upon.

OUR PARENTS

The great world around us has changed an incomprehensible amount in the past 18 years.

We have experienced one of American's most tragic military conflicts, the brutal assassination of some of our greatest leaders, and great turmoil in our Federal Government.

We have also seen the emergence of minorities in their struggle for equal rights, the beginning of the space age and the great miracle of man on the moon.

We have experienced the changing of Rock'n Roll to just plain rock and the drug explosion.

Yet during the past 18 years our own small worlds have revolved around Cub Pack meetings and Girl Scout cookie sales, little league games, birthday parties, and later school dances and Indian football games.

However now as we approach graduation we are forced to realize that we are about to enter that greater world around us. Yet we do not enter that world unarmed. For with us we carry the love of those special people who have taken us to those Cub Pack meetings, and have sold those Girl Scout cookies, people who have always been there backing us up and giving us the guidance that will last us the rest of our lives.

Finding difficulty in expressing our gratitude, we the students of the class of '76 of Upper Perkiomen High School wish to pay special tribute to our parents.

"We hold these truths to be self-evident: — That all men are created equal; that they are endowed by their Creator with certain unalienable rights; that among these are life, liberty, and the pursuit of happiness."

In this Bicentennial year and as members of the Class of 1976, the above lines from the Declaration of Independence should have special meaning. In our society today too many people have missed the point that our rights include the **pursuit** of happiness rather than the guarantee that happiness should be automatically bestowed on us by the state, the community, our school or our family. Too many of us sit around waiting for opportunity to knock on the door, rather than realize that if we do the knocking, opportunity will answer.

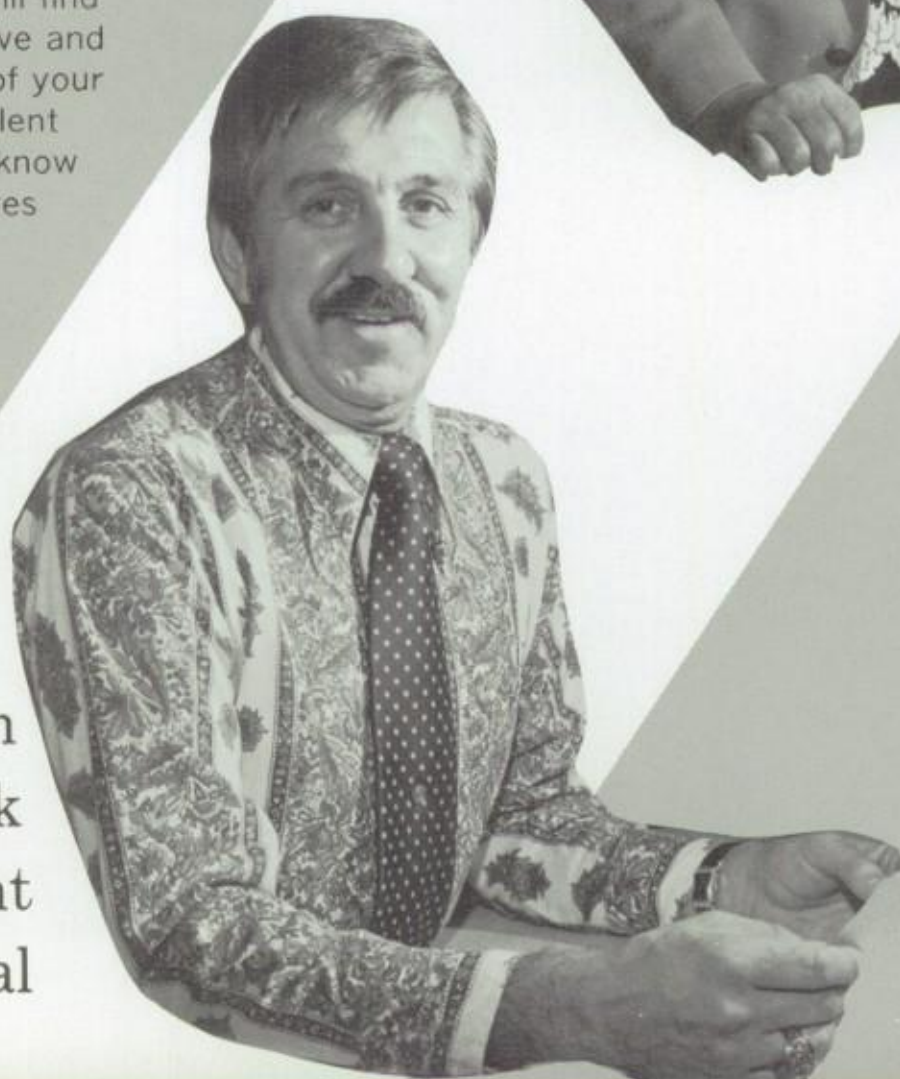

It has been my pleasure to work with the Class of 1976 and I hope that each of you will find success in the active and enjoyable **pursuit** of your goals. With your talent and enthusiasm, I know many of your desires will be realized.

Thank goodness it's Friday!

What do you like most about your job?

Thomas E. Persing, Ed. D. Superintendent

The look on the face of a child in our elementary schools while bouncing down the hall; during commencement, watching each senior obtain a diploma; seeing our bands, choral groups, theater groups and athletic teams perform; and observing the artistic creations of our students. These are some of the many components of my job I find rewarding. Everytime one can measure a better performance of the foregoing particulars on our educational scale, is also very important.

But the most important of all is to create and foster an environment whereby each member of our school system can effectively contribute to the accomplishment of mutually conceived goals. This is a beautiful experience and gives meaning to my life. Further, to know that this is what I want to do, without any reservations, gives me a great sense of purpose and satisfaction.

Thomas E. Persing, Ed. D.

What do you like most about your job?

For being given the opportunity to share educational experiences with students of Upper Perkiomen School District. A student smile or thanks, are personal rewards.

CLASS HISTORY

We the class of 76 find ourselves graduating in a very historic year. For it was but 200 years ago, in 1776, that a group of men gathered in Philadelphia, Pennsylvania to assert the independence of our country and to lay the plans for its future.

We find this somewhat symbolic in the sense that by means of our graduation we are asserting our independence and through our twelve years in school, especially through the four years we have spent in high school we too have laid the plans for our future.

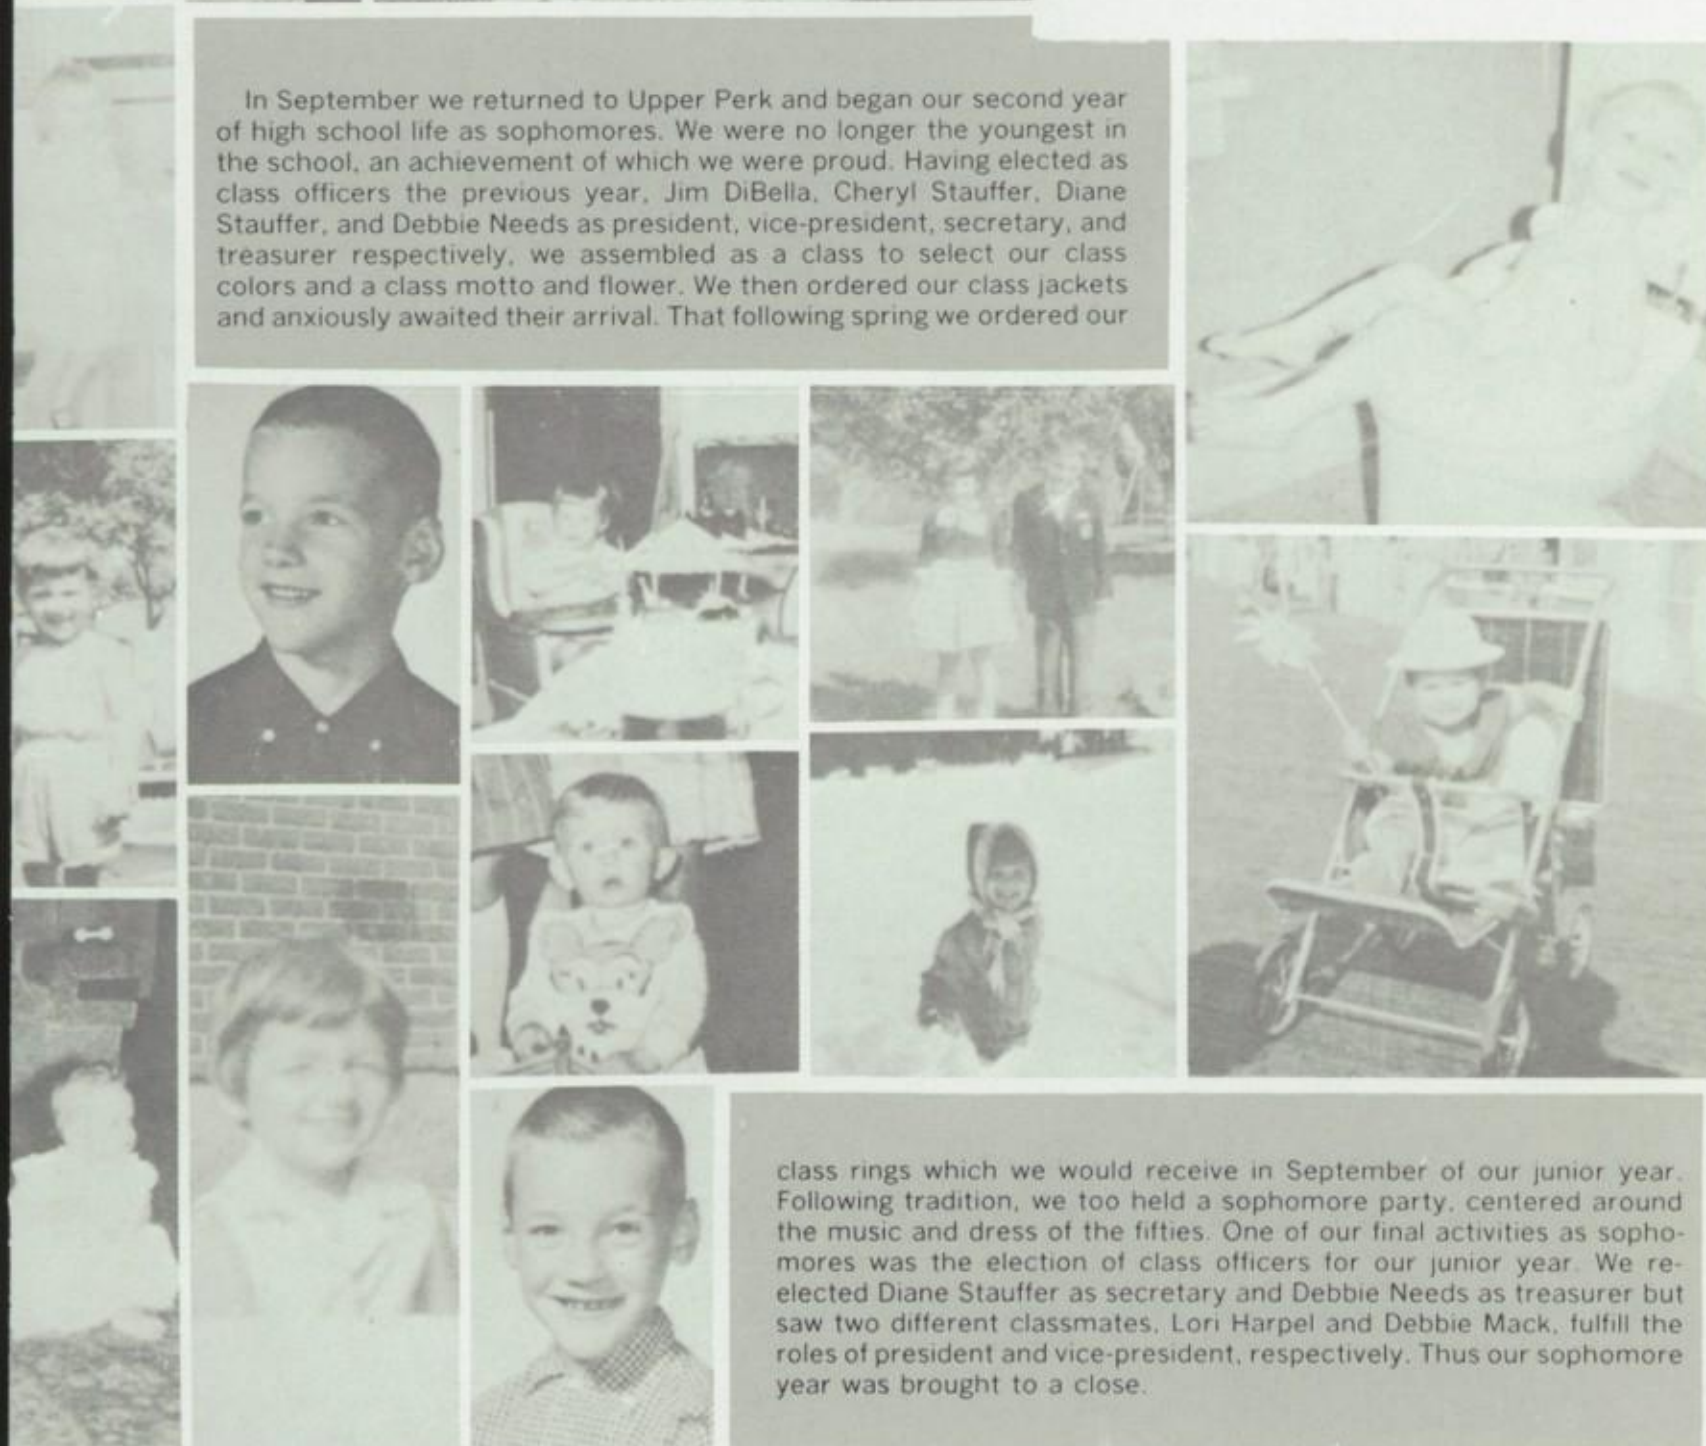

Our four years at the high school have sped by rapidly since that September day in 1972 when we began our freshman year. High school life was new to all of us and somewhat exciting. At the time we looked ahead to the stretch of high school life remaining in front of us and thought that it would never end. As the year progressed we became accustomed to our low position in high school life and even made the best of it.

Our Freshman party was held in April on Friday the thirteenth and was appropriately entitled "Superstition". With this, our freshman year was brought to a close.

In September we returned to Upper Perk and began our second year of high school life as sophomores. We were no longer the youngest in the school, an achievement of which we were proud. Having elected as class officers the previous year, Jim DiBella, Cheryl Stauffer, Diane Stauffer, and Debbie Needs as president, vice-president, secretary, and treasurer respectively, we assembled as a class to select our class colors and a class motto and flower. We then ordered our class jackets and anxiously awaited their arrival. That following spring we ordered our

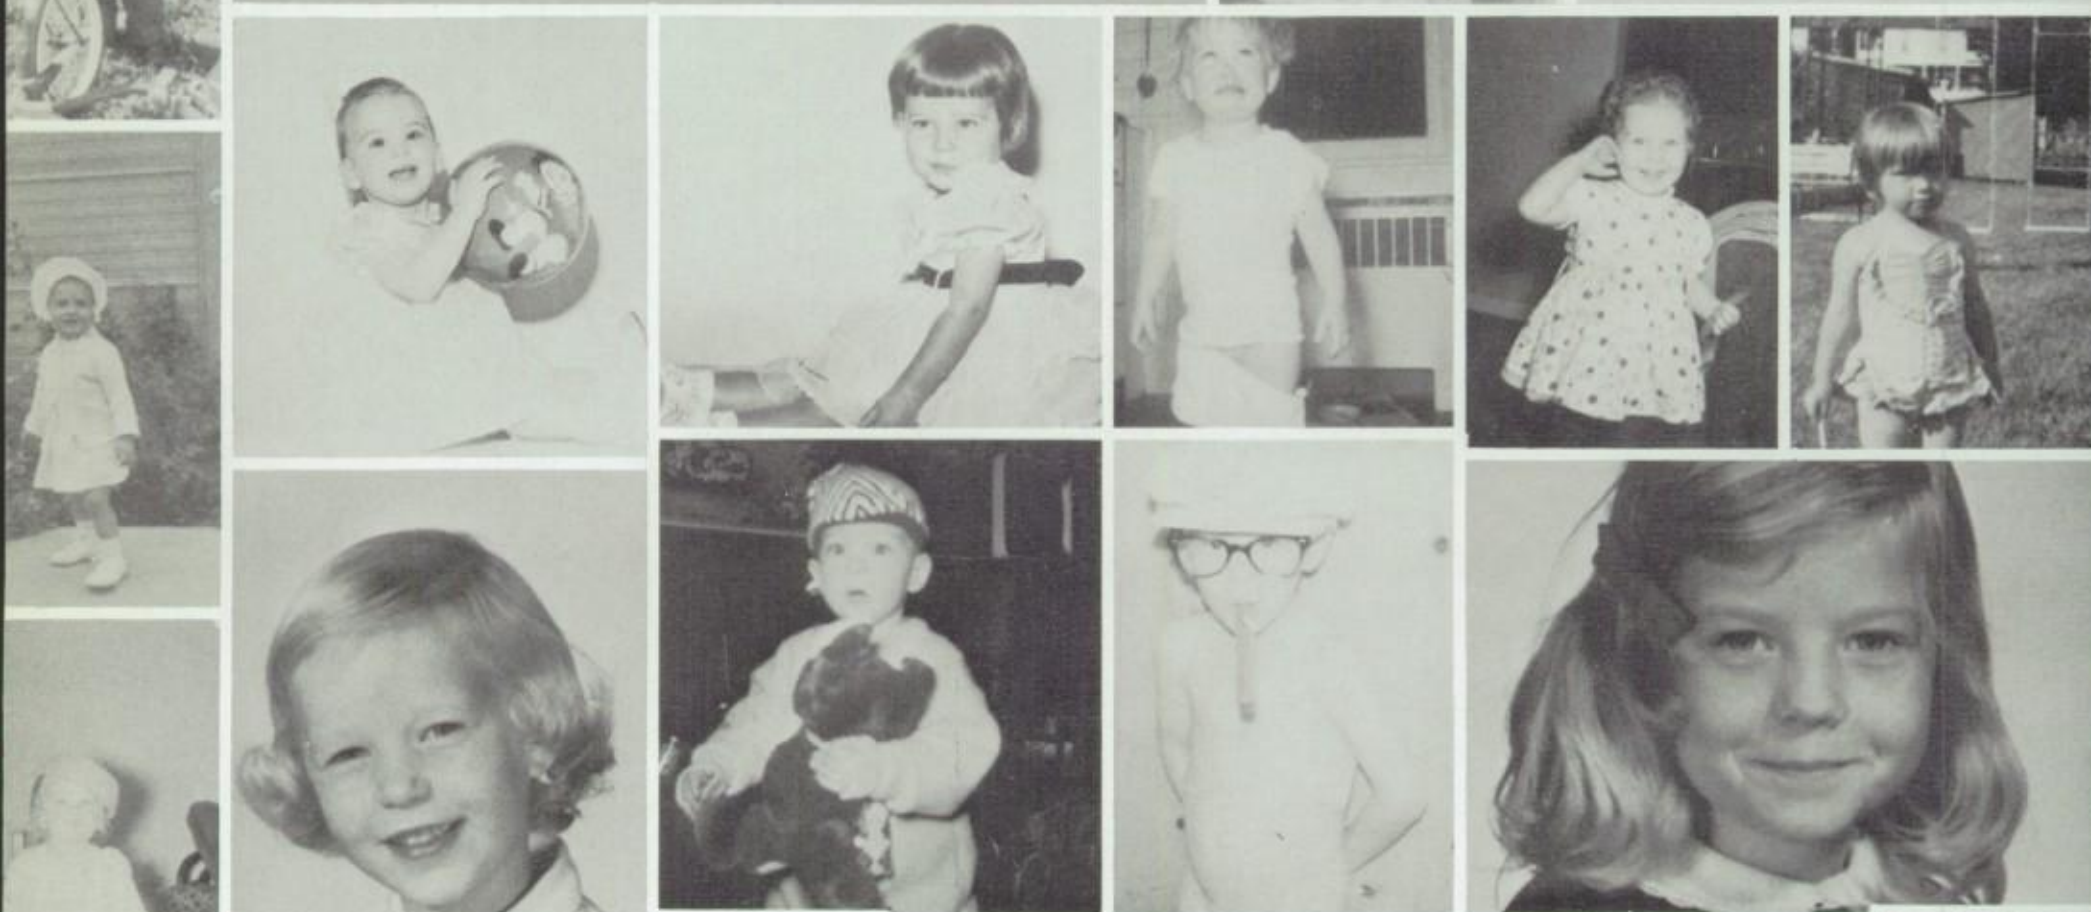

class rings which we would receive in September of our junior year. Following tradition, we too held a sophomore party, centered around the music and dress of the fifties. One of our final activities as sophomores was the election of class officers for our junior year. We re-elected Diane Stauffer as secretary and Debbie Needs as treasurer but saw two different classmates, Lori Harpel and Debbie Mack, fulfill the roles of president and vice-president, respectively. Thus our sophomore year was brought to a close.

UPPER PERK

September saw us returning once again to the halls of Upper Perk. With much excitement we received our class rings and resumed our roles as students. After much controversy, our class officers, with the tireless and unrelenting help of our class advisor, Miss Stride, succeeded in arranging and carrying out a class trip to New York. Sightseeing, the Broadway play "Grease" and dinner made it an enjoyable day for all. In April, our class made its first attempt at a theatrical production. We

chose the play "**Pillow Talk**" and everyone worked hard to give a good performance. On the evening of June 6 we held our first prom, the theme being **Stairway to Heaven**. We then for the last time, elected class officers. Lori Harpel, Debbie Mack, Debbie Needs, and Denise Delong would serve as officers for our last year of high school life. We then said good-bye to the departing graduates, realizing that soon we would be taking their places.

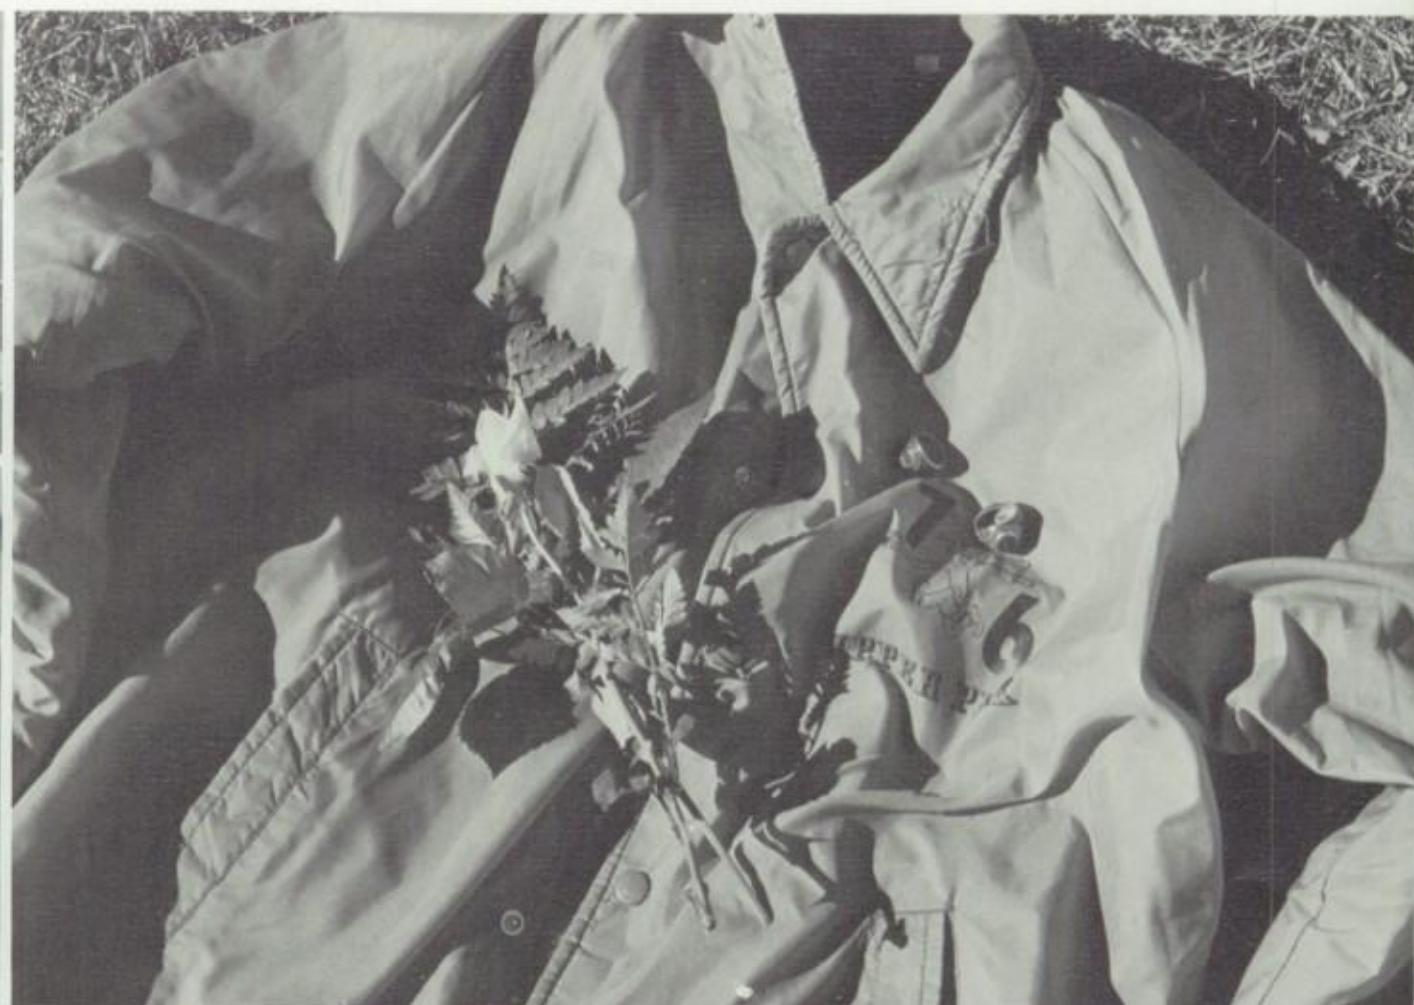

September, 1975 — we were seniors at last! A very exciting and hectic year awaited us. The first days of our senior year were funny and somewhat confusing due to the new scheduling system put into effect. But, soon all the troubles were taken care of and we settled down for our last year at Upper Perk. The year progressed as many seniors were busy choosing colleges while others looked ahead for jobs after graduation.

In November, we presented **"George Washington Slept Here"** as our Senior Class Play. Although this play was quite different from **"Pillow Talk"**, it proved equally successful. On April 2 together with the Junior Class we held the Junior-Senior Prom of 1976, at Sunnybrook. The theme at the ballroom was **"Miracles"**. It was then just a short matter of time before we were released from school for Senior Electives.

On June 8 we were reunited and together for the last time as we received our diplomas, thus ending our life at Upper Perkiomen High School forever.

In April, 1975, the class of '76 had its first chance at acting with the delightful comedy "Pillow Talk." Under the guidance of their expert director, Mrs. Raymond, their audiences had as much fun watching the play as the cast and crew had performing it.

The play centers around Jan Morrow, an unmarried interior decorator. She shares a party line with songwriter Brad Allen, a playboy who constantly is tying up the line with telephone calls to his numerous girl friends, much to Jan's dismay.

In the meantime, while their little battles are going on over the telephone, one of Jan's clients, Jonathan Forbes, does his best to win Jan as his fourth wife.

One day, Jan actually comes face to face with Brad Allen. She doesn't realize who he is however, since she never met "the horrible little man on her party line." He, however, knows her through a little questioning of his own. He decides to play a trick on her and becomes the epitome of politeness and disguises his voice with a Texan drawl. Jan is swept off her feet by this handsome man who she feels she can "totally trust." When Jan does eventually find out this trick, she is more determined than ever not to even speak of this horrid man again.

But she has trouble doing this. Her busybody maid, Alma, appoints herself as matchmaker and Jan's business partner, Pierot, also finds himself straddling the fence between Jan and Brad.

Through more trickery, tears, and arguments Jan and Brad finally realize they're in love. The play finishes with a dramatic ending of Brad literally carrying Jan back to his apartment over his shoulder.

The Senior Class Presents: George Washington Slept Here

The second dramatic effort of the class of '76, took place in November of their senior year. Keeping with the theme of '76, they performed Moss Hart's and George Kaufman's "George Washington Slept Here," a comedy in three acts.

The trouble all starts when Newton Fuller buys an old run-down place in the country, in which George Washington supposedly slept at one time. Annabelle, his wife and a "city girl," doesn't like it one bit. Even less so, when she finds out there is no running water or toilets. However, despite all this, Newton, his daughter Madge, and her boyfriend Steve think the place is great.

As the story unfolds, nothing but terrible things continue to happen. Mr. Kimber, a local product who helps and informs Newton on his new buy, isn't exactly on Annabelle's list of favorites. Mr. Prescott, their neighbor, lets them know he isn't going to any trouble to make them feel welcome. Raymond, Annabelle's nephew, is nothing but annoyance after annoyance, and then good old Uncle Stanley appears on the scene! Uncle Stanley is that rich uncle no one can bear but everyone overwhelms him with loving kindness.

Things seem to be a bit more expensive than Newton figured on, however, and he soon runs short of money. He lets Annabelle in on the news that there will be a foreclosure on their property in two days as she admits that she was really beginning to like the place. In desperation they turn to Uncle Stanley for money and discover he's really been broke all these years! Just as things are at their worst, Rena Leslie, Annabelle's actress friend, comes in with the news that her husband and Madge have run off together.

As things get back to normal and everyone is ready to leave their house in the country, who is it but Uncle Stanley that comes through with the idea of how to save the place. As the curtain is about to close, a hurricane blows in with thunder and lightning and rain pouring through the roof. Newton and Annabelle have finally got their place in the country!

• Junior-Senior Prom 1975

The 1975 Junior-Senior prom was held at the Collegeville Inn with the theme "Stairway to Heaven". The students looked forward to June 6 with great anticipation. The guys were busy searching for the right girl and the girls were busy searching for the right gown. The excitement began at 6:30 with a smorgasbord style dinner and afterwards dancing. The music was provided by two groups, **Rain** and **Good Times**.

Junior-Senior Prom 1976

The 1976 Junior-Senior Prom was held at Sunnybrook Ballroom in Pottstown with the theme "Miracles." The excitement began at 7:30 on April 2. The night was enjoyed by all who participated in this exciting event.

Homecoming Queen
1975-1976

Kris Hettrick

The 1975-76 Homecoming Ceremony

The sixth annual Homecoming was held on October 11, 1975 at 1:30 p.m. on the Upper Perkiomen football field. Selected for the Senior Class as representatives were: Pamela Crotzer, Kris Hettrick, Donna Lechner, Lisa Mirth, and Linda Shipe. They were escorted by Mark Taggart, Keith Masemore, Roy Hildenbrand, Jeff Stauffer and Steve Sobjak, respectively.

The underclassmen chosen for the court were as follows: Jennifer Miller, Donna Needs and Nadine Stull, representing the ninth, tenth, and eleventh grades, respectively. They were accompanied by Joe Verna, Gary Jakoby, and Kevin Conrad.

Kris Hettrick was crowned at the Upper Perkiomen-Hatboro game as the Homecoming Queen who would proudly represent our school and community. Julie Hoffman, last year's Queen, was present to crown Miss Hettrick.

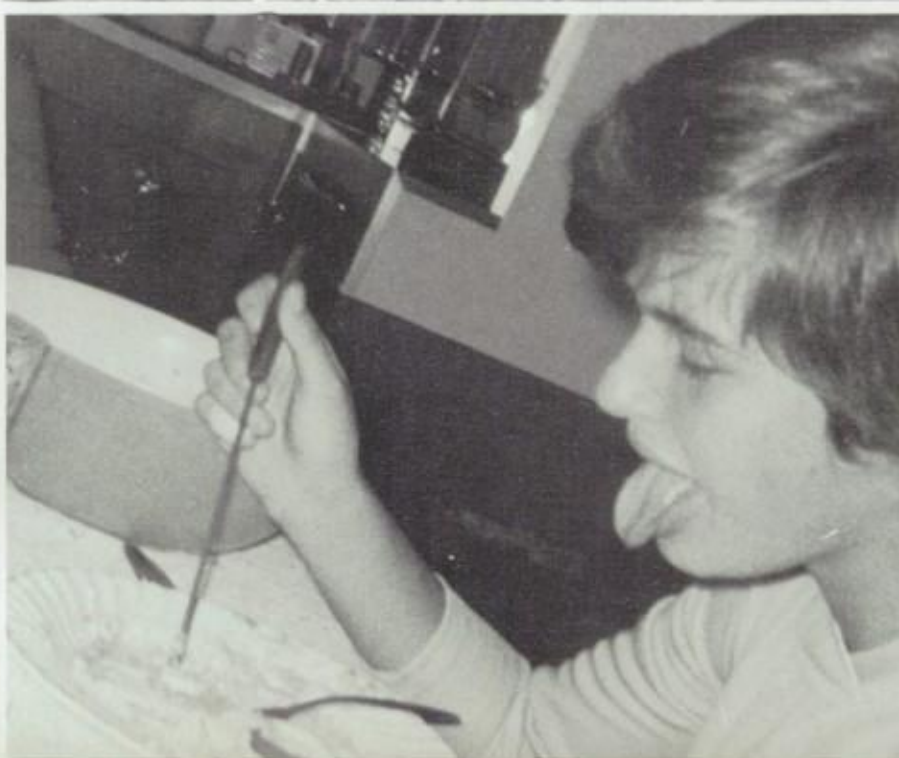

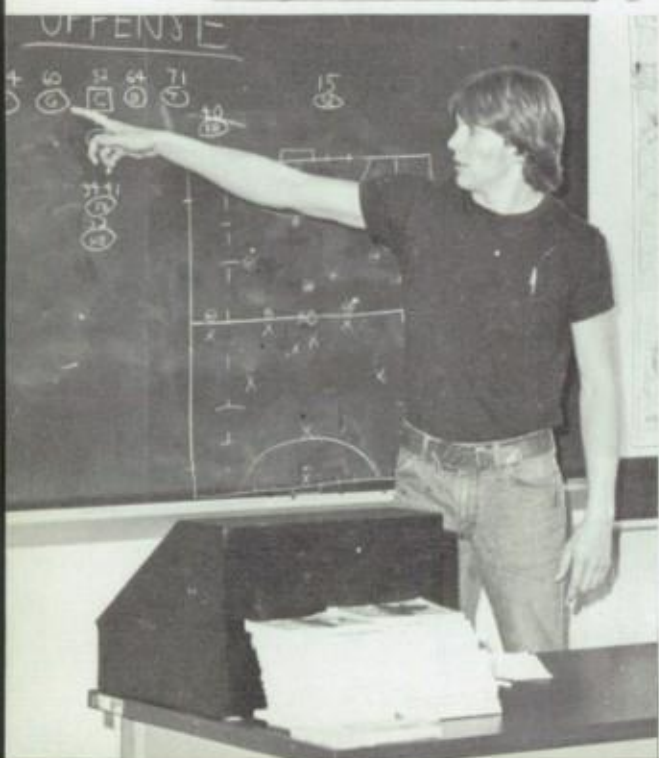

Relevancy Day

This year the annual relevancy day was held on October 31. It was a day filled with enjoyment but still contained a certain amount of learning. It was the type of learning that we do not encounter in our every day life, things out of the ordinary that we never expect to see in school.

The day consisted of various activities which were either led, taught, or performed by community members and the teachers in our school. They put aside their Math, Science and English books to prepare for such classes as Cake Decorating, Pizza making, Scuba Diving, Yoga, Jam sessions, Pottery, Transcendental Meditation, Golf, Modern and Primitive Ballistics, Hounds and Hunting, tournaments in basketball and volleyball and many others. The day proved to be very successful.

Clubs

V.I.C.A.

Vocational Industrial Clubs of America

V.I.C.A. is an organization open to any vocational or Industrial student. Included in these are: Audio Visuals, Auto Body, Auto Mechanics, Building Trades, Data Processing, Design Technology, Electricity, Electronics, Machine shop, and Welding.

Since all of the above shops make up the club, V.I.C.A. it is the largest club at Western Montgomery A.V.T.S.

Every year V.I.C.A. members look forward to competing in Competition in their vocation. When competing the student competes on Local, Regional, State, and National levels. As a profit maker V.I.C.A. members sold fruit to the surrounding communities. The fruit proved profitable.

D.E.C.A.

Distributive Education Clubs of America

D.E.C.A. is a club for the Distributive Education student. The D.E.C.A. members compete in competition on the Local, Regional, State, and National levels. This year the D.E.C.A. members sold as their fund raising project Hershey candy bars. The D.E.C.A. club also planned various field trips to department stores and shopping malls.

F.F.A.

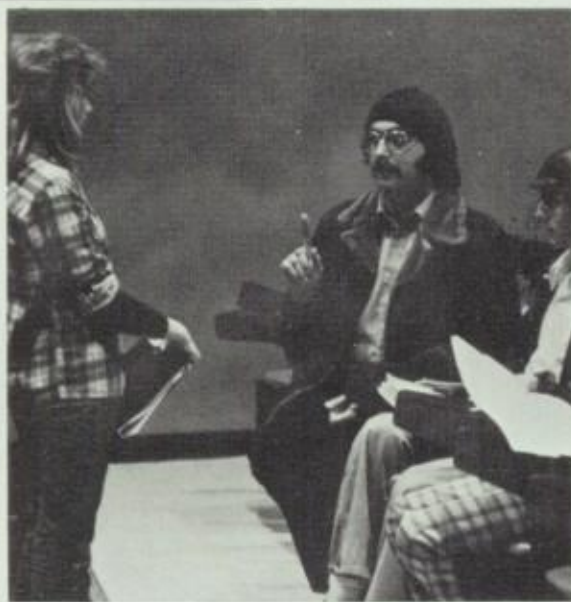

Future Farmers of America

F.F.A. is an organization open to any Agriculture, Horticulture, or Grounds Care student. As members they too can compete on Local, Regional, State and National levels. They travel each year to the Allentown Fair, and to many other fairs. To raise funds, they too sold fruit and made out very well.

The year started off with a substantial increase in membership for the Pennsylvania Youth Educators Association. Serving as guides for the annual Open House was one of the activities performed in November. During December the organization held its first Christmas Bazaar, which profited greatly. The PYEA would like to thank Mrs. Linda Moyer, for her time and effort which makes many of their activities possible.

Walum Olum

In the spring of our junior year the yearbook editors and staff were chosen for the 1976 Walum Olum. Darrell Hartwick would serve as Editor-in-Chief with Co-Editors to head the individual departments.

The Walum Olum Staff took advantage of the unique year of the book's publication by selecting "The Spirit of 76" as its theme.

Many changes were made in the Walum Olum during the year. Among these changes were additional pages, individual pictures of underclassmen and colored endsheets. New and different ways of raising money were initiated. In addition to the usual soliciting of sponsors and patrons, stock certificates were given as receipts to people who contributed \$25 or more.

The Walum Olum Staff sincerely hopes that they have fulfilled their purpose by combining into a book the many cherished memories of the class of 1976.

Mrs. Joan Smith

Mr. Robert McClusky

The 1975-1976 Upper Perkiomen Chapter of the National Honor Society has been very active this year, not only within the school, but also within the community. With the help of our advisors, Mrs. Smith and Mr. McClusky and the enthusiasm of the members we have accomplished something new this year.

Our Society is now being co-sponsored by the local Rotary Club. We have been active in helping this group, which in turn has helped us a great deal. Pins were purchased, names were engraved on the Honor Society plaque, and a special dinner was held with the help of these men. Our members have also been active in helping the various Exchange Students feel more at home in our community. The Society has participated in traditional activities such as selling mums for the Homecoming and Thanksgiving Day games. The revision of our constitution has been completed and approved after two years of hard work.

Our members would like to extend special appreciation to the Rotary Club members for their involvement in our Society!

The International Thespian Society of Upper Perkiomen High School (Troupe 3079) is composed of juniors and seniors selected for their work in the various theater arts. Inductions are held in the spring when the ITS presents its annual production of several one-act plays. The ITS members hope the Society will continue to grow and advance drama on the high school level in the years to come.

The club was initiated last year. Now in its second year, the Business Club is active in fund raising, school, and community service projects.

The Business Club is an organization for high school students interested in striving to develop competent, aggressive business leadership. This year is the first year we have made the programs for basketball games, and the second year we made programs for the wrestling matches.

We would like to thank our advisors Mr. Fox, Mr. Reilly, and Mr. Schwilk. **1ST ROW:** B. Meier, B. Wisser, J. Miller, P. Yoder, P. Leister, D. Ettinger, K. Cassel. **2ND ROW:** J. Moser, E. In September of this school year the 1975-76 Perk-O-Lator Staff united under the guidance of Jesse Nahan and Nancy Urwiler as co-editors-in-chief and Mr. McCaig as Faculty Advisor. This was the first year in Perk-O-Lator history when the newspaper staff was asked to pay for its issues. Consequently they set out to raise money. Although working on a tight budget was not easy, the Perk-O-Lator was published for the benefit of the entire school. Editorships for the various departments were as follows: Brad Hendershot, Art Editor; Darrell Hartwick, Layout Editor; Diane Bucci, Feature Editor; Steve Harner, Sports Editor; Melissa Baver, Business, Publicity, and Exchange Editor.

The 1975-76 Student Council held new and different projects throughout the year. For the first time our Student Council in conjunction with the Middle School Student Council participated in the UNICEF Program conducted in October. Assemblies were held periodically throughout the year and the traditional Homecoming Dance and Christmas Ball were not forgotten. In addition, new vending machines were provided for the benefit of the student body.

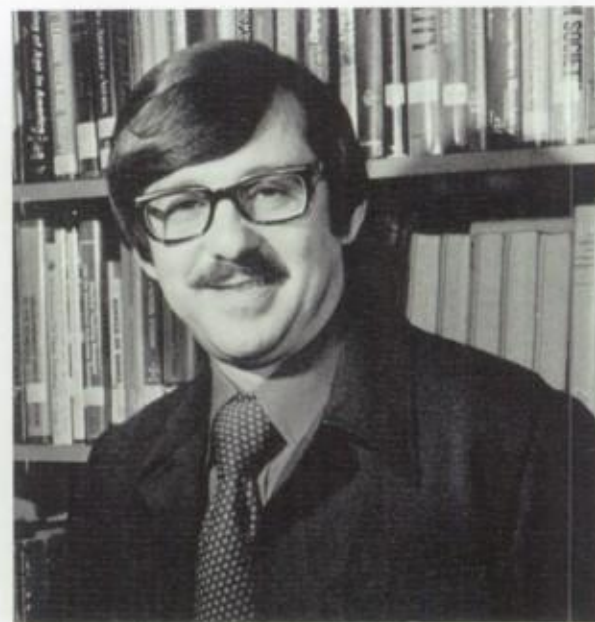

In conclusion, the 1975-76 Upper Perkiomen Student Council hopes that its efforts throughout the school year have been successful.

Varsity Club

The Varsity Club is a new club that was just started this past year. Any student in the high school who has earned a varsity letter is eligible to be a member. This year it was composed mostly of seniors and juniors. The main purpose of the club is to promote school spirit and to develop pride through our sports activities. Officers were elected in the fall and are as follows: President, Paul Barndt; Vice-President, Bill Mullen; Secretary, Denise DeLong; and Treasurer, Peg Pennepacker. This year they concentrated mainly on drawing up a constitution for the club, fund-raising activities, bringing the Pittsburgh Steelers basketball team to our school, and making known to the school and community that they exist and hope to grow and become more active in the future.

Broadway Musical Comedy Once Upon A Mattress

With one year's experience in musical production already behind us, this year saw us undertaking the Broadway musical comedy "Once Upon a Mattress." With Mr. Gallagher as director, Mr. Lampe in charge of the vocal portion of the program, Mrs. Steiner as choreographer, Miss Blackwell busily working on costumes, and of course Mr. Bercher turning out a fine orchestra, the musical was ready to be presented on March 4, 5, and 6.

The story is a take-off on "The Princess and the Pea." No one in the kingdom is permitted to marry until Dauntless the prince (not exactly the dashing and daring type but, nevertheless) finds a suitable bride. The entire court of the kingdom is convinced, however, that this will never happen because Queen Aggravain, Dauntless' doting, loudmouthed mama has already turned away 12 princesses on the grounds that they all failed her impossible tests.

Sir Harry is determined to find Dauntless a suitable bride. His main motive is that the little Larken girl has just informed him that she is going to have their baby in the near future and it might be a good idea if they got married.

Sir Harry returns with Winnifred, a far cry from the charming, demure princess in the fairy tale, but Dauntless likes her. Queen Aggravain and the wizard conjure up the most difficult test for Winnifred to pass which is, naturally, to feel a pea beneath 20 downy mattresses.

Through the antics of the jester, minstrel, knights, and the mute, girl-chasing King Sextimus, Winnifred passes her test and they all live happily ever after, except for the queen who gets her just reward in the end.

Marching Band

C o n c e r t B a n d

The Upper Perkiomen High School Band, under the direction of Mr. Vincent Bercher, was once again one of the Upper Perkiomen's most active organizations. The band spending parts of their summer recreation practicing proved it to be all worthwhile as they performed for pre-game and halftime shows at football games. The band held their 3rd annual Festival of Bands which was well received by the public. They participated in various Halloween parades, including the Allentown parade in which they participated and received outstanding honors in the top five categories. They also traveled to Pottsville for their Festival of Bands. In January the band once again traveled to Pottsville for their Winter Carnival. The marching unit paraded through the city as the Honor Band. This award was received last year when the band received Most Outstanding Band, and 1st and 2nd place awards for Music and Band Front. The band also proved to perform their fine Spring Concert in May which always brings a capacity crowd.

Recognition must also be given to the Brass Choir, Clarinet Choir, and Dance Band. These smaller organizations derived from the band have also helped out and have done various things for our community. Several Musicians also earned honors for participating in the District and Bux-Mont bands. With the local Memorial Day parade the band's year is almost done. As always the highlight of the year is a trip. This year a trip to Myrtle Beach, South Carolina ended a most eventful year for the band.

With the help of the Band Boosters, officers, and each member of the band, the determination for success was fulfilled.

"A" Choir, composed of selected seniors, juniors, and sophomores, worked harder than ever this year under the able direction of Mr. Richard Lampe. Officers were elected in the early fall and as follows: Diane Stauffer, President; Donna Schoelkopf, Vice-President; Denise DeLong, Secretary; Lori Harpel, Treasurer; and Cheryl Stauffer and Bob Morris, Librarians.

The first half of the year included such activities as a bus trip to Philadelphia to hear the Philadelphia Singers perform "The Messiah," the annual trip to Philadelphia, to sing at City Hall, plus presentations for various groups in the community. Their hard work paid off when it came time for their extremely well-attended Christmas concert.

The second half of the year proved to be even more work with church engagements coming up, the Fine Arts Festival, and preparation for their 5-day trip to New York where they would be singing for Silver Creek High School and various other high schools. Recognition should be given to the Uptones and Concert Choir who also sang at the concerts and various other places throughout the year.

The Spring Concert arrived much too quickly for all, especially the seniors, ending a most successful year.

The cheerleaders of 75-76 tried to promote spirit within the student body as best as they could. Some of the spirit raising activities were the traditional pep rallies, snake dance, Bonfire and decorating of halls, buses and locker room. In addition to these activities they had a contest which lasted throughout football season, which was won by the Junior class for showing superior spirit. Highlighting one of our pep rallies were our male cheerleaders. The Varsity squad also took part in a one day cheering clinic at Whitehall sponsored by DCA.

This year in addition to our Varsity, Junior Varsity and Junior High Cheering squads the wrestling team was supported by our new Wrestlerettes.

The Cheerleaders would like to express a special thanks to Mrs. Mackow and Miss Blackwell, who devoted a lot of their time to all the Cheering squads.

Football Resume

September 6

The Indians got off on the right foot by breezing by visiting Daniel Boone in the 1975 season opener. Senior halfback Bill Mullen scored 3 times and totaled 118 yards rushing for a fine showing. QB Scott Gebert scored the fourth Indian touchdown with a 24-yard run. The superb Indian defense, led by Jeff Henry and Bob Pack, kept the Blazers scoreless.

DANIEL BOONE 0 U.P.H.S. 27

September 12

In their second non-league contest, the Indians lost a tough game to the Bears of Boyertown. Upper Perk took an early lead with Jeff Henry taking the opening kickoff 94 yards for a touchdown. Boyertown came back to tie the score at six with B. Roth taking it in from the 20. Mike Duka scampered in from the 4 in the second quarter to give U.P. a 12-6 halftime lead. A great defensive effort held the Indians scoreless in the second half as the Bears' Medoja scored twice to complete the scoring.

U.P.H.S. 12 BOYERTOWN 19

September 27

The Indians were victorious in their league opener against Perky Valley by a decisive score. Bill Mullen, who netted 134 yards on the ground, scored from the 37 on the Indians' third offensive play of the game. Mike Duka added six with a 7-yard run. The Vikings scored their only points in the second quarter as Law took it in from the 50. Junior fullback Bob Pack scored twice in the middle periods with a Gebert to Fronheiser two point conversion following the first T.D. The U.P. defense was superb, recovering a fumble and intercepting two P.V. aerals.

PERKIOMEN VALLEY 7 U.P.H.S. 26

October 3

The Indians came on strong in the final period with two touchdowns to defeat the P'ridge Rams. Jeff Henry scored in the first and last quarters on runs of 1 yard and 2 yards respectively. Mullen added to the scoring with a run from the 3. Sophomore Kurt Werkheiser followed with a kick for the extra point. Pennridge's only score was in the 4th quarter with a 12-yard Lockett to Jefferson pass. Scott Gebert completed 6 of 8 passes — 4 to Barry Tomlinson and 2 to Mike Duka. Mullen picked up 113 yards on 17 carries for his third 100-yard game.

October 11

Hatboro-Horsham 14 U.P.H.S. 00

Combining a relentless running attack with a staunch defense, the Hatters handed the Indians their first league defeat of the year. Rob McVaugh of Hatboro scored on a one-yard plunge in the second quarter to give the Hatters a 7-0 lead. The slippery underfooting from a 24-hour rain made maneuvering treacherous at times and kept U.P.'s Passing to a minimum. Gebert put the ball up 11 times, completing only 3 for 26 yards. Perk's best offensive weapon was Geberts' frequent pitchouts to Bill Mullen, who had 72 yards on 20 carries. The game ended with a 59 yard Albright to Mayer pass in the fourth quarter.

October 17

U.P.H.S. 21 Quakertown 8

The Redmen chalked up 242 yards rushing as they hammered host Q-town 21-8 to boot their Bux-Mont league record to 3-1. Mullen collected 96 yards on 16 carries while Mike Duka turned in 70 on 7. Mullen also chalked up a pair of TD's, both in the second quarter. In quarter number 3, Scott Gebert smacked over from the one and Kurt Werkheiser booted the PAT to complete UP's scoring.

October 25

U.P.H.S. 34 C.B. EAST 13

After East took a 7-0 first quarter lead, the Indians of Upper Perk exploded for 21 points the second quarter and 7 in the third quarter to ice the game. A 30-yard TD pass from Gebert to Brian Fronheiser capped a 77-yard drive for the Indians' first score. After a Kevin Ferketich interception, Bill Mullen took the ball in from the 5 for a 14-7 U.P. lead. Upper Perk' third TD of the quarter came on a 16-yard run by Mike Duka. The Indians' other TD's belonged to Bob Pack (3-yard run) and Jim Burke (one-yard run). Bo Dennis registered both of East's scores on bursts of 3 and 5 yards, respectively.

November 1

North Penn 13 U.P.H.S. 46

Bill Mullen rushef for 199 yards on 20 carries and scores 4 TD's and a two-point PAT to lead UP to a 46-13 destruction of visiting North Penn. The Knights, despite taking a 7-6 lead in the opening period, were completely outclassed. The first six times the Indians got their hands on the pigskin they scored. Mullen scored on runs of 2, 6, 37 and 35. Jeff Henry added to the romp with a 2-yard run. A 21-yard Gebert-to-Duka pass and a 1-yard Mark Cashatt run completed the scoring.

November 8

C.B. West 40 U.P.H.S. 6

Both teams appeared evenly matched in the opening quarter, as Upper Perk fought to control the C.B. line which could compare to a small college squad. But with the opening of the second quarter, and the momentum shifting in its favor, the Bux-Mont co-leader posted 28 points. Upper Perk's only score came on a 25-yard run by Dave Keeny in the closing minutes. The win kept C.B. West undefeated in their last 20 outings. Upper Perk is now 5-2 in the league and 6-3 overall.

November 15

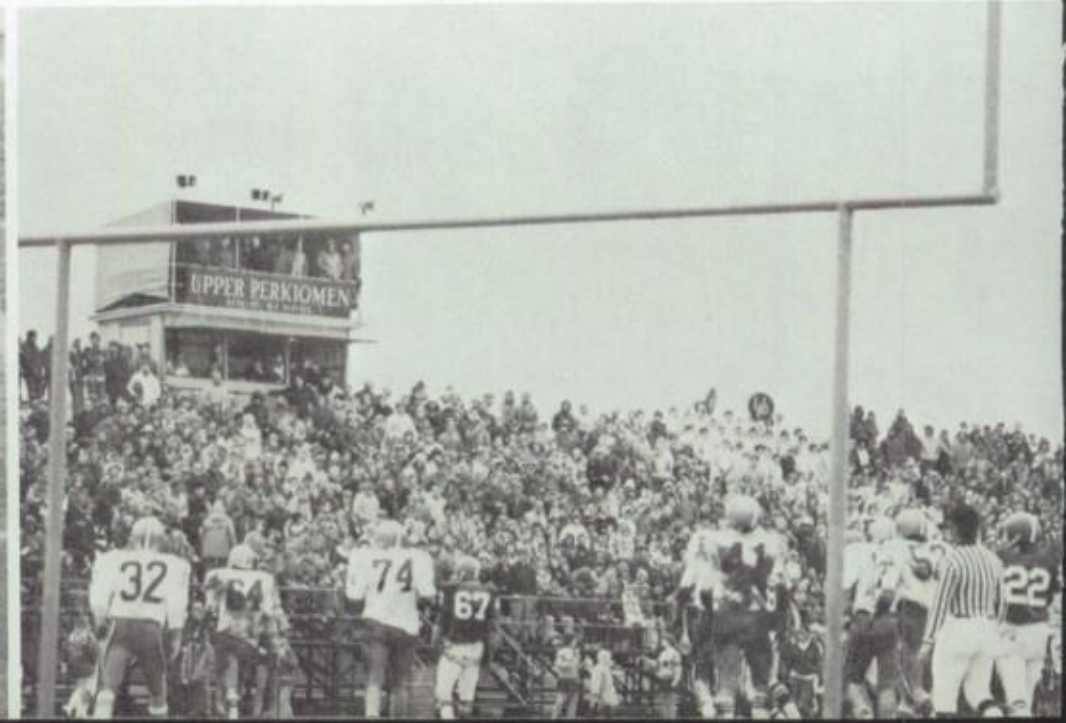

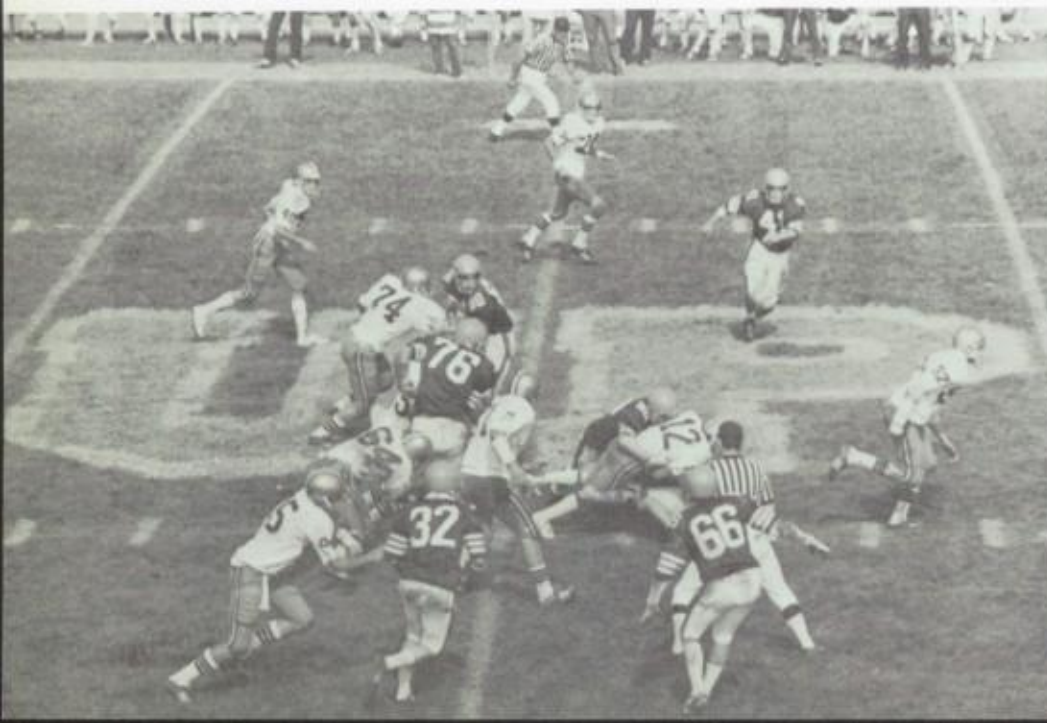

U.P.H.S. 32 Wassahickon 20

The Trojans of Wassahickon High jumped out to a 14-0 lead in the first period in Ambler Against rugged Upper Perkiomen, as Rob Hill scored on a 4-yard run and Cary Rodgers caught a Skip Dougherty nine-yard pass for another 6-pointer. The Indians never quit and fought back to win 32-20. Jeff Henry scored on a 2-yard run and QB Scott Gebert scored on a 1-yard run for the Tribe in the second quarter. Gebert added two more TD's on runs of nine and seven yards in the second half. UP's running attack was led by Bill Mullen, who gained 168 yards in 18 carries. Wassahickon's final TD came on a Hill 6-yard run in the final period.

November 27

Souderton 6 U.P.H.S. 20

Bill Mullen, who totaled 205 yards rushing, keyed a nifty 8 play, 80 yard march in the first quarter with his Steady Diet of 5-yard bursts into the line. Big Red QB Brad Nau threw a screen pass to HB Barry Craig midway through the 4th period and Craig streaked 61 yards to paymud. Scott Gebert, who played a flawless game, scored the first Indian TD on a 2-yard run while Mullen added two more on runs of 2 and 9 yards, respectively. The Indians finished the season in 3rd place behind only Hatboro and C.B. West, the Bux-Mont Co-Champs. The Tribe's record was 7-2 in the league and 8-3 overall.

Captains ready, timers ready, girls time in on the whistle! Camp was over in August, hot morning practices were left behind and the '75-'76 season was on its way. The season looked bright as the girls captured two early non-league victories. The Bux-Mont, however, proved to be tougher with many teams using the "new system." Victories were recorded over Souderton and Quakertown and a hard-fought tie with Hatboro. The final disappointing record of 2-6-1 did not reflect the close games lost in final seconds or the enthusiasm and drive of the hockey squad.

Coach Mrs. Utz had the likes of Lori Hoff, Debbie Mack, Debbie Needs, Sue Olafsen, and Judy Westwood as returning letterwomen. The varsity squad also consisted of seniors Brenda Bardman, Denise DeLong, Carol Fritz, Debbie Hentz, Cheryl Stauffer, and Jackie Wambold plus a host of underclassmen talent. Co-captains for the season were Debbie Mack and Sue Olafsen. Jackie Wambold received second team Bux-Mont honors while Lori Hoff and Sue Olafsen were voted honorable mention. Joe Weikel, by state ruling, was ineligible for competition and Debbie Needs sustained an injury to end their seasons early.

Junior varsity under the supervision of Miss Eck compiled a 2-4-3 record and displayed young talent which should be a helpful aid to next years club.

The Upper Perkiomen Cross-Country team finished the season with their best record and places in the Bux-Mont and District ever. Although they did not get any championships, the team finished the season with a near-perfect 12-1 record. Alan Treffinger finished 1st in all of the team's dual meets and Upper Perk lost its only meet to Central Bucks West in the last run of the season.

At the Bux-Mont Championships held at Butter Valley, nobody was close to Alan as he beat the next runner by 40 seconds. Matt McCrae finished 7th and Chris Guilian got a medal by finishing 20th.

The team went to District Championships with hopes of finishing 1st or 2nd and taking a team to the State Meet at Penn State for the first time. Perkiomen Valley was psyched though and tied for first with always strong Octararo; U.P. finished third by only 5 points. Octararo got first by virtue of having 4 runners place better than Perky Valley's top 4. Upper Perk had two runners represent the team at State Championships. This honor came by Alan Treffinger and Matt McCrae finishing in the top ten positions at District Championships. Alan ran away with first place finishing 18 seconds ahead of the second place runner and setting a course record for a Class B runner. Matt McCrae finished in ninth place, 40 seconds behind Alan.

At the State Championships, Alan finished No. 5 and Matt 56 out of a field of 174. Alan's place was the best ever by an Upper Perk runner.

Next year's team should be strong again even with the loss of Alan and Matt. Junior Don Schmoyer, Sophomore Chris Guilian and Freshman Scott Treffinger will all be fighting for the top place on the team. Scott should be one of the team's best runners and may eventually surpass brother Alan.

February 10

U.P.H.S. 63 PERKIOMEN VALLEY 69

The Indians lost to the Vikings of Perky Valley by the score of 69-63. Doug Hendricks bombed in 34 points but even that wasn't enough to win it for the Tribe.

February 13

WISSAHICKON 59 U.P.H.S. 70

The Tribe defeated Wissahickon for the second time this year 70-59. Jim Fryer had 29 points and Barry Tomlinson had 18.

February 17

U.P.H.S. 53 HATBORO 49

The Indians finished the Bux-Mont season with a thrilling overtime win over Hatboro 53-49. Doug Hendricks led the way with 25 points and Jim Fryer added 16.

OVERALL:

The Indians finished the Bux-Mont season with a tremendous 13-5 record and 3rd Place overall in the league. The Tribe participated in the Class B playoffs beginning in March. The overall record for Upper Perkiomen was 16-6.

INDIVIDUAL STATS (Bux-Mont) —

Doug Hendricks led the team in scoring with 317 points and a 17.6 average. Jim Fryer was second with 275 points and a 15.3 average. Hendricks ended up 3rd in the Bux-Mont behind Power of C.B. East and Pauls of North Penn. Fryer was 8th in the league. Hendricks led the Bux-Mont with the highest one-game total — 34 points. As a team, the Indians were proud to be the best defensive team and the 5th best offensive team in the league.

For Coaches Eck and Stride, the winter of '76 held high expectations. Five senior returning lettermen, Diane Benner, Karen Cassel, Deb Mack, Deb Needs, and Peg Pennepacker would be back plus underclassmen talent. The schedule was expanded to include half the league twice.

The Bux-Mont proved to be too tough, as a dismal 5-8 record concluded the season. Victorious over Bishop Shanahan they fell to St. Pius in Class 'B' play-offs, the first Bux-Mont team to make it to the second round.

Misses Pennepacker and Cassel were named to 1st team and honorable mention, respectively. Debbie Needs served as captain, Debbie Mack and Peg Pennepacker co-captains. Strong performances from Teresa Duka, Terry Golden, and Jolien Eck show promise for next year.

Coach Rhine's swimmers took their marks for the fourth year of Bux-Mont competition. A single returning letterman, Sue Hess, and one lone senior, Cathy Connelly, headed the team consisting of sixteen freshmen and only eight upperclassmen.

No wins were recorded, but, the girls faced each meet with as much enthusiasm as if it was their first. Pool records were set by frosh Dana Miller with a 1:22.4 in the 100 breast stroke and sophomore Sandy Ash with a time of 7:30 in the 500 free against Wissahickon. Miss Miller then broke her own record against Muhlenberg in 1:21.7 minutes.

Valuable varsity experience has been gained by the underclassmen this year. Strong performances also came from Chris Bardman, Beth Bercher, Janice Hess, Jennifer Miller, and Terri Werkheiser to make the outlook for next year seem very prosperous.

Although a number of school records were broken this year, the boy's swim team never really got it all together. The team won their second Bux-Mont meet in eight years by beating Hatboro this season. It was a year of individuals, with the following records being broken: 500 Freestyle — Mike Moyer, 6:11.2; 100 Butterfly — Joe Weikel, 1:01.0; 50 Freestyle — Mark Cashatt, 23.0; and 100 Freestyle — Mark Cashatt, 52.2.

Under the direction of Dick Werkheiser and Ronald Hendricks, Winter Track serves two major purposes: to get the athletes in shape for Spring Track and to find out the areas where they are best qualified. Winter Track is not a team sport and teams do not win or lose; it is mostly for individual performers. The once-weekly meets are held at indoor tracks at area colleges and are attended by 30 to 40 schools. Competition is tough and medals are awarded to only the top four finishers.

Ace! Top-Spin lob to the corner — winner! High expectations of a flawless record are in sight for the girls' tennis team in '76. The entire squad, four singles and three doubles teams, returns from last year all intact.

Most likely to be on the winning side of the net and gain a berth at Wimbledon or Forest Hills are seniors Donna Lechner, Jackie Wambold, Lisa Mirth, Carol Fritz, Diane Reimert, Debbie Hentz, plus underclassmen Gail Schwenk, Nancy Schultz, and Gail Hentz. The Chris Evert's of Upper Perk will be under the new leadership of Miss Stride this year which will most likely create an added incentive.

Mr. Duka's tennis team played exceptional tennis in 1976. With many returning lettermen and seniors on the squad, the team generated much excitement around the courts. For the first time the bleachers weren't empty after school on match days as a considerable number of people attended the home matches.

The future of the team depends on how well the underclassmen can fill the positions vacated by this year's seniors.

Batter up! The springtime of '76 will bring the Upper Perk Girls' Softball team, trying to better last year's 7-3 record. North Penn, Quakertown, and Pennridge should prove to be the maiden's toughest competition on the way to the league title. Hatboro will be faced for the first time in history.

Experience and desire will bring success or failure to the girls in spikes. Eleven returning letterwomen should provide leadership, sportsmanship, and motivation for the squad. Heading the pack will be seniors Peg Pennepacker, Karen Cassel, Diane Benner, Debbie Mack, Phyllis Day, Brenda Bardman, Janet Kulp, Kim Burke, Candy Brey, Pam Wampole, and lone junior Teresa Duka.

Mr. Phil Jones has ended his coaching days and a new leader will fill his shoes, trying to live up to his two previous league titles. Fans, '76 looks like a bright year. Strike one up for Girls' Softball!!

Girls, crosses ready draw! Muddy fields, spring air, fast, aggressive action, goal creases, and non-existent boundaries are but a few of the unique details related to the fascinating game of LaCrosse.

Rebuilding will be the theme of Mrs. Utz's seventh year on the LaCrosse greens, the field next to the dirt road. Heading the campaign are returning lettermen Denise DeLong, Lori Hoff, Debbie Needs, Sue Olafsen, Cheryl Stauffer, and Judy Westwood.
